

KOUMAD Abdelhakim

Full-Stack Developer | React, Next.js, JavaScript, PostgreSQL

Full-Stack Web Development · \$15/hr · Available

Tizi-Ouzou, Algeria · hakimtech.vercel.app · www.linkedin.com/in/abdelhakim-koumad-180b93397

SKILLS

React, JavaScript, TypeScript, Next.js, PostgreSQL, Supabase, REST APIs, HTML, CSS, Tailwind CSS

ABOUT

Full-stack developer focused on building modern business web applications with React, Next.js, JavaScript/TypeScript, PostgreSQL and Supabase. I work across frontend, APIs, authentication, databases, CRUD functionality and responsive interfaces. I'm looking for part-time remote projects where I can build reliable, maintainable web applications and deliver against clear requirements.

EDUCATION

**Université Mouloud Mammeri de Tizi-Ouzou (UMMTO) · Computer Science /
Computer Engineering, Computer Science**
