SKILLS

React, node, express, javascript, python, HTML, mssql, rest API

ABOUT

Full-stack developer with experience building scalable web applications from scratch using React.js, Node.js, Express, and MS SQL Server. I develop secure REST APIs, design efficient databases, integrate third-party services, and deploy production-ready applications. I enjoy solving complex problems, optimizing performance, and building reliable software that delivers real business value. Currently open to freelance and full-time opportunities.

EXPERIENCE

Full stack developer · Rayan indo solution

Jun 2023 – Present

Kanpur uttar pradesh India · full time

Built and maintained full-stack applications from scratch using React, Node.js, Express, and MS SQL Server. Developed REST APIs, implemented authentication, integrated third-party APIs, optimized database queries, fixed bugs, and deployed production-ready applications.
