

dixit bariya

backend engineer working with nodeJs,expressJs, background tasks

backend engineering · \$25/hr · Available

ahemdabad, gujarat, India · portfolio-sigma-mauve-59.vercel.app · www.linkedin.com/in/dixit-bariya-62a2a4304

SKILLS

ReactJs, nodeJs, expressJs, bullMq

ABOUT

i am working on nodeJs for improving performance and security of applications and websites with scalability

PROJECTS

event-planning

dayro.co

nodeJs · expressJs · bullMq · ReactJs · tailwind

i've built this website where artist can register themselves and users can book artist for their events, i've integrated payment gateway razorpay

mostly i've worked on how to make backend robust and authentication more secure.
